

METRO KIDAPAWAN WATER DISTRICT PROCEDURES MANUAL	Document No. : PM-DRC-01 Eff. Date : 12-08-16 Revision No. : 00 Pages : 1 of 7
INTERNAL DOCUMENT CONTROL	

I. OBJECTIVE

This document defines the system for development, review, approval, issuance, update, maintenance, control, and distribution of internal documents pertaining to **METRO KIDAPAWAN WATER DISTRICT's** Quality Management System. It includes the necessary actions to be taken to ensure that the involved employees understand their roles, responsibilities, and requirements in maintaining the effective and efficient operation of the company.

II. SCOPE

This procedure applies to all documents related to the internal quality management system of **METRO KIDAPAWAN WATER DISTRICT** For documents generated externally, refer to **External Document Control [PM-DRC-02]** procedure.

III. DEFINITION OF TERMS

- *Master Document* - refers to the original registered document retained and accessed by the QMR and Document Controller only; used for reproducing copies to be distributed
- *Controlled Document* - refers to a copy of the document reproduced from the master document and distributed to the identified copyholders of the document
- *Uncontrolled Copy* - refers to a requested copy of the document reproduced from the master document and distributed to requesting recipients for the purpose of reference or attachment
- *Obsolete Document* - refers to a document that is already superseded with another version or a document that is already discontinued
- *Initiator* - refers to the Process Owner who generates or revise document
- *Document Registration Processing (DRP)* - a form used to officially request for the registration, revision, or discontinuance of a document
- *Document Requisition Log* - a form used to request for controlled documents
- *Internal Document Master List* - a form used to list and record all internal documents generated by the company
- *Document Review* - a form that lists all documents generated per department for review at the end of the year

Prepared by: <u> ROLAN SEAN U. MAGAWAY </u> Document Controller	Approved by: <u> STELLA M. GONZALES </u> General Manager

INTERNAL DOCUMENT CONTROL	

3. Draft or Revise the Document on the Standard Format

3.1 Draft new document or revise the existing:

3.1.1 NEW DOCUMENT

3.1.1.1 The Initiator shall prepare the draft document on the standard format.

3.1.2 EXISTING DOCUMENT

3.1.2.1 The Initiator shall draft the revised document by editing the given document copy and highlighting the changes with *red font/ pen*.

4. Fill-up Document Registration Processing (DRP)

4.1 NEW DOCUMENT

4.1.1 The Initiator shall fill up the **Document Registration Processing (DRP)** form for the document to be registered and assign a Document No. and indicate the document Revision No. and Effective Date.

4.1.2 The objective of the new document should also be explained.

4.1.3 The copyholders of the document shall be enumerated at the bottom part of the **Document Registration Processing (DRP)** form.

4.2 DOCUMENT FOR REVISION

4.2.1 The Initiator shall fill up the **Document Registration Processing (DRP)** form for the revised document to be registered, indicating its current Document No., Revision No., and Effectivity Date.

4.2.2 The reason for revision shall be explained and the revisions made shall be enumerated.

4.2.3 The new Revision No. and Effective Date shall be determined and indicated in the form.

4.2.4 The copyholders of the document to be distributed shall be enumerated at the bottom – left side of the **Document Registration Processing (DRP)** form, and the copyholders of the existing version of the document shall also be enumerated at the bottom – right side of the form from which the old versions are to be retrieved from.

4.3 DOCUMENT FOR DISCONTINUANCE

4.3.1 The Initiator shall fill up the **Document Registration Processing (DRP)** form for documents to be discontinued.

4.3.2 The reason for discontinuance shall be explained.

4.3.3 The current copyholders of the document to be discontinued shall be listed at the bottom – right side of the **Document Registration Processing (DRP)** form for retrieval.

5. Route the draft document with the Document Registration Processing (DRP) form to the concerned departments for review and approval

PROPRIETARY NOTICE

I. OBJECTIVE

The objective of this document is to ensure that quality records, both soft and hard copies, are maintained to demonstrate conformance to specified requirements. It defines the system for identification, storage, retrieval, protection, retention time, and disposal of records generated for the effective operation of the organization's Quality Management System. All quality records will be stored and maintained in such a way that they are readily retrievable in facilities that provide a suitable environment to minimize deterioration or damage and prevent loss.

II. SCOPE

This procedure applies to all records which are generated by METRO KIDAPAWAN WATER DISTRICT in its implementation of the Quality Management System.

III. RESPONSIBILITY

Records Officer

IV. DEFINITION OF TERMS

- *Retention* - period of time that a record should be kept or "retained" both electronically and in paper format
- *Quality Records* - documents which furnish objective evidence of activities performed and / or results achieved in the implementation of the organization's quality management system
- *Archive Section* - storage for inactive documents and records which are being kept for a certain period of time prior to disposal
- *Quality Records Matrix* - a form that documents all the records generated in a department and their active and inactive retention period
- *Records Endorsement* - a form used to endorse to the Records Controller all records that have surpassed their active time frame
- *Records Retrieval Log* - a record used to log any retrievals of endorsed records
